## WHY WE EXIST

**JMh – Anaheim (JMh) was founded in 2013 by Nathan Zug, with the vision and dream of “harnessing the good between Faith Based and non-Faith Based Organizations.”**

**JMh, is a “Kingdom” rooted non-sectarian 501c3 Public Benefit Charity – nonprofit organization (NPO).** JMh stands for Justice, Mercy humility, and is from a statement by the Prophet Micah in the Bible.

**JMh’s Mission is: Developing relationships and bridges to spread goodness and to meet needs.**

JMh has spent more than 10 years developing relationships and building collaborative bridges between 6 sectors in the City of Anaheim (businesses, service organizations, non-profits, faith-based organizations, school districts and the City of Anaheim 12 departments), so that the greatest good can be accomplished in Anaheim.

## WHO WE ARE

JMh is one organization with 3 distinct programs. Each JMh program has a separate mission and vision. The 3 programs work collaboratively together with an integrated synergy.

### JMh – Anaheim

**Mission:** Developing relationships and bridges to spread goodness and to meet needs.
