Together, all of these sectors can create synergy that will mobilize people to “spread goodness, meet needs and demonstrate kindness.”

Love Anaheim has formed dozens of partnerships in its first 3 years, and will continue to add and build more partnerships as each month passes,

Thanks to everyone who has participated in Love Anaheim. We are heading towards a better Anaheim as we serve together.

[The JMh - Anaheim / Love Anaheim](#) Growth Fund has been established to allow Love Anaheim to grow from a volunteer led organization into having some part time and eventually full time paid leaders. Our mission of "**Spreading Goodness, Meeting Needs and Demonstrating Kindness**" has grown from several hundred volunteers in April of 2016 to over 7, 800 in 2020. Love Anaheim has also grown from three Service Project Events in 2016 to 6+ per year in 2019. JMh - Anaheim, the parent organization 501c3 to Love Anaheim, has developed several meaningful programs including:

- [Better Way Anaheim](#) - a Pathway to Work" partnership with the City Of Anaheim that has [served 900+ participants since December of 2017.](#)
- **Love Our Seniors** - a partnership with Seniors and Senior Mobile Home Parks that serve Seniors in various ways throughout the year.
- [Care Partner / Non - Sectarian Chaplain Program](#) - a mental emotional "wellness" effort to help those who have experienced traumatic events establish a new normal.

JMh - Anaheim / Love Anaheim has established a [Growth Fund Goal of \\$200,000](#) by December of 2020, to allow the continued growth of our valuable programs as well as hiring two positions: a part time Executive Director in October, and an Administrative assistant.
