Between Service Project Events, Love Anaheim has mobilized hundreds of volunteers completing dozens of additional projects.

The Love Anaheim Organization seeks to continue an **ongoing energy of service** throughout the year. It is our passion to love and serve various sectors of Anaheim: City departments, residents, school districts, non-profits, service organizations, businesses, faith based groups, and guests. Together, all of these sectors can create synergy that will mobilize people to “spread goodness, meet needs and demonstrate kindness.”

Love Anaheim has formed dozens of partnerships in its first 3 years, and will continue to add and build more partnerships.

Thanks to everyone who has participated in Love Anaheim, we are heading towards a better Anaheim as we serve together.
