

The name JMh stands for Justice, Mercy, humility.

JMh - Anaheim is a unique Non Profit Organization whose mission is to provide community-based services to include: general family resources, community engagement and resiliency platforms, educational opportunities, educational enrichment, values education, as well as anti-graffiti and other community enhancement systems.

In addition, JMh - Anaheim will work towards Identifying, Engaging, Equipping, Resourcing, and Supporting community leaders in the greater West Anaheim community so they may take ownership as residents and therefore improve their neighborhoods, inspiring a better quality of life throughout the city.

The main strategy of JMh - Anaheim will be to provide a “bridge of connectedness” between civic institutions, public institutions, businesses, non-profits and faith-based organizations so that, together, the greatest good can be accomplished in the local community. We believe the sky is the limit for goodness, if a synergy of trust, responsibility and cooperation are engaged in order to serve the best interests of the target area.

JMh-Anaheim is a federally approved 501c3 Charitable Foundation (Federal Tax ID# 46-2909640), with mailing address: 2255 W. Ball Rd. #2611 Anaheim, CA 92814.
